Subject: RE: Electrical drawing for Central Warehouse.

Dear Mr. Minhaz,

After careful consideration with the team, we have come to an agreement that elegant engineering is suited for this task when compared to the competitors. SP engineering may have done previous work for us but they have little experience when it comes to dealing with RSC audits and their auditors.

Subject: RE: Electrical drawing for Central Warehouse.

Dear Mr. Rakib

Please ignore the below mail.

Please see the below comparison for consultancy & drawing of SLD. You referred SP Engineering & Elegant Engineering both. From our investigation, we come to know that SP engineering only worked one similar project (Design & Drawing) which is under process. On the other hand Elegant Engineering have done similar project for us. Again Elegant demands higher than SP Engineering. In this situation we need your valuable comment to select among these two supplier.

SQ Hues Ltd.

Elegant Engineering

Excellence with Perfection

Financial Offer

Sl.	Work Description	Working Area	Qty.	Total Amount (BDT)
01	Proposed Electrical Single Line Diagram (SLD).	SQ Central Warehouse. 1,48,700 sqft. (Approx.) (Six Storied Building)	1 Job	1,10,000.00
